A summer's tale

Hello. I'm Luca. I'm eleven years old. I live in Milan but every summer I go to Sicily. My grandparents live in Mondello. I love the sea and I do a lot of water sports.

Every morning I get up at 8.30 a.m. and I ride my bike to the bakery. There is a wonderful bakery in the centre of the town and I usually buy a slice of pizza for 1,99 euro.

At 9.30 a.m. I meet my friend Tommaso and we go to the beach together. We usually play beach volley with our friends and then we have a break. Tommaso's uncle has got a coffee bar on the beach and it sells ice cream, lollypops, candies, and popsicles.

At 12.30 we have a picnic on the beach and we share our food. In the afternoon I read a book or I play with my sticker collection. Tommaso looks for shells for his shell collection.

Every Friday I have a windsurfing lesson.

I love my summer Holidays!

→ *Tick the correct option*
