### This is Alex

Alex is Scottish. He lives in Glasgow and he is twelve years old. He attends Secondary School. His favourite subject is Science: he loves nature very much!

Alex lives with his family: his mother Rachel, his father Steve and his older brother Pat.

He has a pet too: Ginger, a fat cat.

In the morning Alex gets up early, at half past six. He washes his face, he gets dressed and tidies up his bedroom. Then he has breakfast; he usually has toast and marmalade, orange juice and an apple. At eight o' clock Alex goes to the bus stop and a quarter to nine he is at school. He comes back home at three o' clock.

On Monday and Wednesday afternoons he goes horse riding and on Thursdays he goes swimming.

→ *Tick the correct option*
